

## **TELECOMMUNICATIONS MANAGEMENT GROUP CONGRATULATES MINDEL DE LA TORRE ON HER NEW POSITION AND NAMES NEW PRESIDENT**

ARLINGTON, VA - October 21, 2009

Telecommunications Management Group, Inc. (TMG) announced today that Janet Hernandez has taken the position of President of the company. Ms. Hernandez previously held the title of Senior Vice President.

This change follows the departure of Mindel De La Torre, former President of TMG, who has been selected as Chief of the International Bureau of the Federal Communications Commission.

“Mindel is the perfect choice to head the International Bureau,” said Ms. Hernandez. “Her dedication to international telecommunications issues has been evident throughout her career. We will miss her at TMG, but I have no doubt that with her smarts, energy, and superb management skills, she will do great things in her new position.”

TMG has grown from a two-person company to an internationally recognized consulting firm under Mindel De La Torre’s leadership. While doing so, she earned the respect and friendship of our staff and clients. “I know that she will have similar success in her endeavors at the FCC. The Bureau staff are fortunate to have such a fabulous leader,” said Ms. Hernandez.

Telecommunications Management Group, Inc., [www.tmgtelecom.com](http://www.tmgtelecom.com), is a premier consulting firm, based in the Washington, DC metropolitan area, dedicated to advising clients on telecommunications and information technology matters. Comprised of an experienced team of attorneys, economists, market analysts, engineers and financial experts with an in-depth knowledge of the ICT industry, TMG provides strategic, managerial, regulatory, and technical advice to telecommunications entities, governments and international agencies.
